

Hello Pastors and Leaders,

Our **SNEMN Fine Arts Festival 2026** has officially begun.

Fine Arts Festival is a tool to help students **DISCOVER, DEVELOP** and **DEPLOY** their ministry gifts. In a competitive venue, the students are given the opportunity to have their skills evaluated by qualified ministers, industry professionals and educators who encourage excellence, offer ideas for improvement, and inspire students to use their gifts in the local church, community and around the world. **By involving your students in the Fine Arts Festival, they will gain experience and develop skills that will last a lifetime.**
